SAINT LOUIS **BALLET** WINTER GALA 2027

Dear Friends of Saint Louis Ballet,

We are honored to serve as Chairs for the 2027 Saint Louis Ballet Winter Gala.

When artists create together, something beautiful happens. It is the harmony of music and movement, artistry and passion—but it is also the harmony created by an entire community standing behind them. This season, Saint Louis Ballet explores the power of that connection. For this season's Gala we celebrate another kind of love: the love that inspires us, moves us, and brings us together - the harmony in ballet and the ballet in harmony.

Join us on Thursday, February 11, 2027, at the Touhill Performing Arts Center for a spectacular evening featuring cocktails and hors d'oeuvres, a special performance in the Anheuser-Busch Performance Hall, followed by an elegant dinner and celebration where it will be an evening to honor, and a future to build.

Proceeds from the Winter Gala will benefit Saint Louis Ballet's mainstage season and community outreach programs, which bring the beauty and discipline of ballet to over 500 children in resource-challenged schools and community centers across the St. Louis metropolitan area.

We invite your organization to join us as an Event Sponsor in honoring Saint Louis Ballet's continued excellence. Your partnership helps sustain the company's commitment to enriching our region through world-class performances and meaningful education initiatives.

Enclosed you'll find details about sponsorship opportunities and benefits. For additional information or to confirm your support, please visit stlouisballet.org/gala2027. We look forward to celebrating the harmony that ballet brings our community and deeply appreciate your continued support of Saint Louis Ballet.

With gratitude,
Karen Spector and Pat Whiteside

ABOUT SAINT LOUIS BALLET

MISSION & VISION

- The mission of Saint Louis Ballet Company is to provide metropolitan St. Louis with a permanent, professional, resident ballet company capable of performing classical and contemporary works of the highest quality for the cultural enrichment and enjoyment of the entire community.
- With the vision of supporting artists and dancers, celebrating expression and engaging the community, Saint Louis Ballet will be the preeminent institution in the region for creating, performing, and teaching ballet.

ORGANIZATION OVERVIEW

- Established in 1975 as a 501(c)(3), nonprofit organization, Saint Louis Ballet has been dedicated to advancing the art of ballet in St. Louis for nearly 40 years.
- Gen Horiuchi joined the organization as Executive and Artistic Director in 2000 and has greatly expanded the Saint Louis Ballet from a small, civic company.
- Today the company employs 22 professional, paid dancers, stages 5 artistic productions each season (25-30 public performances) at the 1,600 seat, state of the art Touhill Performing Arts Center, Kirkwood Performing Arts Center, and the Grandel Theatre.
- Saint Louis Ballet performances reach over 20k people per year.

OUR IMPACT: POINTE TO SUCCEED

The Pointe to Succeed program gives underserved students in the St. Louis area the opportunity to experience the joy, wonder, and discipline of ballet.

In the Theatre:

The Nutcracker: A Shorter Tale has been a huge success. This narrated and abbreviated version of our beloved Nutcracker production is the perfect introduction to ballet for thousands of young people. Furthermore, hundreds of Title 1 students are given this experience for free, with buses and tickets provided by the ballet. The students get to meet dancers from the ballet before the performance, and start their holiday season with a magical and memorable day.

In the Classroom:

Students learn about the world of ballet through this virtual program of Pointe to Succeed.

Schools are invited to stream ballets in their classrooms. Ballets offered this past season included "Alice in Wonderland," "Romeo and Juliet," and "The Nutcracker." Additional study guides are available including Ballet 101 to accompany the accessible virtual ballets. These resources introduce the world of ballet and educate our young audiences on this art form and allow Saint Louis Ballet to bring the beauty and wonder of ballet to students when coming to the theater is not an option. Since its launch it has served almost 15k students nationwide.

We are appreciative of the generous support of Heartland Coca-Cola for its support of SLB's Pointe to Succeed Program. This transformative experience would not have been possible without their generous sponsorship.
